DAYWISE SYLLABUS FOR
THE MONTH OF AUGUST
STD-III (MATH)

| DAYS | TOPIC | CLASSWORK | HOMEWORK |
| :---: | :---: | :---: | :---: |
| 1 | Chapter-3 <br> Roman numerals <br> Question bag -2 | $\begin{aligned} & \text { question no-1 } \\ & \text { to } \\ & \text { question no -3 } \end{aligned}$ | Do question no-4 to question no-5 in your math book |
| 2 | chapter-4 <br> Addition <br> exercise-6 | question no-1 to question no -8 | Do question no-9 to question no-13 in your math book |
| 3 | chapter-4 <br> Addition <br> exercise-6 | question no-14 to question no -20 | Do question no-21 to question no-24 in your math book |
| 4 | chapter-4 Addition with carrying exercise-7 | question no-1 to question no -8 | Practice the class work |
| 5 | chapter-4 Addition with carrying exercise-7 | question no-9 to question no -16 | Practice the class work |
| 6 | chapter-4 Addition with carrying exercise-7 | $\begin{gathered} \text { question no-17 } \\ \text { to } \\ \text { question no }-24 \\ \hline \end{gathered}$ | Do question no-17 to question no-24 in your math note book |
| 7 | chapter-4 properties of Addition | Describe properties of addition | Practice the class work |
| 8 | Exercise-8 | question no-1 to question no -10 | Practice the class work |
| 9 | Exercise-8 | question no 11(a,b,c) | Practice the class work |
| 10 | Exercise-9 | question no-1 to question no-4 | Practice the class work |
| 11 | Exercise-9 | question no-5 to question no -8 | Practice the class work |
| 12 | Exercise-9 mental addition | question no-9 to question no -10 Mental addition | Practice the class work |

| 13 | Assessment-3 question bag-1 | $\begin{aligned} & \text { question no-1 } \\ & \text { to } \\ & \text { question no }-8 \\ & \hline \end{aligned}$ | Do question no-9 to question no-15 in your math book |
| :---: | :---: | :---: | :---: |
| 14 | question bag-2 | $\begin{gathered} \text { question no-1 } \\ \text { to } \\ \text { question no }-5 \\ \hline \end{gathered}$ | Practice the class work |
| 15 | question bag-2 | $\begin{aligned} & \text { question no-6 } \\ & \text { to } \\ & \text { question no -8 } \end{aligned}$ | Practice the class work |
| 16 | Chapter-5 <br> Substraction <br> exercise-10 | $\begin{array}{\|l} \hline \text { question no-1 } \\ \text { to } \\ \text { question no }-7 \\ \hline \end{array}$ | Do question no-8 to question no-12 in your math book |
| 17 | Chapter-5 <br> Substraction <br> exercise-10 | $\begin{aligned} & \text { question no-13 } \\ & \text { to } \\ & \text { question no -18 } \end{aligned}$ | Do question no-19 to question no-23 in your math note book |
| 18 | exercise-11 <br> substraction with borrowing | $\begin{aligned} & \text { question no-1 } \\ & \text { to } \\ & \text { question no -5 } \end{aligned}$ | Practice the class work |
