

Healthy teeth. Healthy you.

A workshop by TAFS Alumni

A workshop on oral health was conducted by Dr Kunal Gupta ,Ex-tafsian of the1994 batch on 12th may 2022.. Dr Kunal has done speciality in pedodontics and preventive medicine and presently working as a Director Childrens Dental Centre , Gurugram

His visit comprised of an informative and interaction with the students of class X and XII on oral health and hygiene. The interaction was enthusiastic and enlightening and continued for more than an hour. It was an interactive session where students discussed about various aspects of oral health.

His visit was very much appreciated by all students. It was highly motivating and encouraging for them.

We are thankful to him as he accepted our invite and spared his valuable time with our students.
