

## Adjectives

### EXERCISE 1.

#### *In the driving seat !*

Learning a language is like learning to drive a car. You need to practice it often. So look at the pictures given below and create a sentence using the following:

1. Create a sentence with two adjectives for each picture and a verb .

VERB

ADJECTIVES

Malala **is** a **brave young** girl .

You could use Auxiliary + Verb eg : **is** running . An auxiliary is a helping verb like **is** here. The main verb is **running**.

You could also use...

2. Degrees of comparison eg big, bigger, biggest .
3. Adjectives of number eg; one, two ,three
4. Determiners like this,that ,those.
5. Adverbs. For example: I **really** like that cute little girl
