

Sports for Teachers

Department of Physical education has organized sports meet for teachers on 24th March 2018 during school hours. It included inter house relay races (lemon and spoon, sac race and three-legged race), 80 mts run, shotput, dodge ball and tug of war.

All the teachers showed great enthusiasm and wholeheartedly participated in all the activities. The day provided an opportunity to everyone to bond with all the fellow colleagues. The fun and camaraderie on display provided a memorable experience for everyone. Looking forward for more such initiatives in future.
