

## Workshop On Entrepreneurship

A webinar was held on 18 th May '22 with students of grades IX , X and XII th on Entrepreneurship.

Ms Charu Vyas was the key speaker of the event. She has been working in the media industry since past 10 yrs. She is our school alumnae , batch of 2006.

In the session she spoke about entrepreneurship, discussed few case studies with children, asked them about their innovative ideas and spoke about the scope of entrepreneurship.

The session was very engaging and informative.

Feedback:

- Hina Dutta , grade IX

“ We discussed on the topic start ups and all other things related to it. As a teenager I didn't know how to showcase our idea that could be related to start ups . The workshop gave good understanding of entrepreneurship.”

- Anshu Punia , grade IX

“ The class was really interactive and interesting . I came to know about entrepreneurship I learnt about various social media platforms”.

- Dimple , grade X

“ The session was very informative. Charu ma'am was very interactive and helped us to develop a sense of creativity and we got to know about entrepreneurship”.
