

**“Alone we can do so little, together we can do so much.”**

Our class VI .VII and VIII students Vitatsa Pathak, Tanmay Verma and Harjee Singh respectively participated at **SCI- FEST - THE CATALYST 20-21**—‘an inter school fest ‘ held at **D.A.V public school sec 14** gurugram and got **first prize** in an event called **lives of great scientist**. Students had enacted on few funny moments of a great scientist Albert Einstein. Judges really liked the performance of the talented young budding artist of the school.
