Our student Tanish Shukla of class V C, who participated in Mono Act - Toon Town event won third prize in this competition and made the school proud. Tanish played the role of Chacha Chaudhary and through this character he managed to convey a very important message about the precautions one must take during these pandemic times.

With several prestigious schools participating in this event it was no small feat that Tanish managed to pull off, with the jury's voting accounting for 60% of the decision the remaining 40% is accounted by the ample support from entire school for his outstanding performance.
