

CREATAL 2020 - INTERSCHOOL COMPETITION AT DPS GHAZIABAD

Delhi Public School, Ghaziabad organised an Inter-school Competition 'Creatal 2020' on 28th Nov 2020. Our student Simrat Kaur (class- I C) brought laurels to the school by bagging the first position in the event –'2050- Twist in the tale'.

In this competition the participant had to pick a fairy tale, give it a twist and narrate it with expression. Simrat narrated the story of Genne, an independent and empowered girl of 2050's. Simrat created a beautiful background using telescope, stars and planets. She expressed herself creatively and enthusiastically. The story ended with a powerful message that "Girls are not beautiful objects. They have their own identity, which should be acknowledged."
