

IGNITE 2020-21

“Creativity can solve almost any problem. ”

Sameer Akhtar and Yatharth Takyar of class VIII A participated in an inter school competition **IGNITE 2020-21 category APP- A- THON** held at DPS Jaipur and have achieved judges appreciation Award. They made an user friendly app called **Agri tech** which is helpful for the farmers. This app was designed in a way to check the type of soil, pH of soil and water holding capacity of soil as well as correction of soil as per requirement of crop.

Many congratulations to both of you!
