

## BRICS MATH ONLINE COMPETITION-2020

*"You don't have to be a mathematician to have a feel for numbers." - John Forbes Nash, Jr.*

BRICSMATH an annual International Online Competition in Mathematics, conducted for students of classes I - XII of 07 BRICS countries. The competition helps to develop logical reasoning, intelligence and spatial thinking. The 4th BRICSMATH competition in Mathematics was held in December 2020.

We are delighted to announce the special achievement of **Anagh Sriram** of Class IX who appeared for International Online Competition in Mathematics. This brilliant student has made our school proud by being in the top1% at National and International level.

Heartiest Congratulations!!!
