

## Eco-Fest 2021

This World Environment Day (June 5, 2021), Bhumi an NGO in association with Young World and The Hindu organised Eco-Fest, a two days Eco-Friendly Summer Camp. The camp offered a plethora of events and contests to pick from. Schools from all over the country participated for these online events. Our school students actively participated in the various competitions.

**Bhavya Singh of VII D** secured **2nd** prize in **Story Writing Competition**, **Shubham Mishra of VII A** secured **3rd** prize in **Poster Making Competition**.

They have won an exciting eco-friendly kit for the same. We're so proud of Bhavya Singh and Shubham Mishra.
