

## INTERSCHOOL EVENT - RENAISSANCE 2021

"To think creatively, we must be able to look afresh at what we normally take for granted."

- George Kneller

St. Xavier's High School, Greater Noida organised an Inter- School Art and Craft competition 'Renaissance 2021' on 20th July 2021. Our student Kavni Kathuria (V A) brought laurels to the school by securing first position in the event 'Wealth from Waste'. This competition required the participant to create an unique item using waste material.

Kavni prepared a very creative and innovative model of a flower pot with flowers. She used materials like wooden sticks, old CD, old film negatives, oil can, egg trays, old ropes, ear buds, embroidery from old suit, woollen rubber bands etc in a constructive manner to create a useful and beautiful article.
