

On July 29,2021 **Mount Caramel School , Anand Niketan** organised their annual event: **INTERACT 2021**, which conducted competitions in many varied streams.

Our art students participated in the competitions namely Creative Endeavours, Craftanza & Intuitive Ideas. In creative endeavours children were supposed to paint landscapes of the famous painter Vincent Vangogh , under Comic Strip children created stories of their dream holiday & a trip to ice cream parlour .

In the **Craftanza** competition, in the Face Planter category **Gurnoor Singh of class IX E** secured **third** position in the competition .

His work depicted two human faces carved out of waste bottles , that he painted and brought new life to them . The planters looked so good that they were a treat to the eye . Our heartiest congratulations to our talented artist . Other students also performed well bringing their creative ideas in a beautiful form .
