

ANUBHAV 2021

Anubhav 2021 was organized on virtual platform by Air Force School ASTE on 28th August 2021. The theme of the competition was 'Emerald Groves- The Life Line of Existence.' A total of 517 students from 20 schools all over India participated in the event.

Aarush Jha of IX B was selected to participate in the Trash Treasure competition. The task was to turn the waste into something valuable. He made a small garden out of thrown away shrubs and a nest using coconut shell and twigs. He conveyed a message to save environment and respect family values through the garden and nest.

He bagged second position in **Trash Treasure competition**.
