

## **Vigyanshala**

*“Science may set limits to knowledge, but should not set limits to imagination”*

St. Mark Sr. Sec Public school organised a virtual interschool Science and Mathematics festival Quest 2021 on August 27,2021. Schools from all over Delhi participated in the event. Our Student Parth Saarthi Chhikara of Class IX participated in the event Vigyanshala and made us proud by securing the Second Position.

Students were expected to make a video explaining any scientific concept. Parth made a video explaining the concept of generating electricity from the open-air gyms installed across the country.

**Heartiest Congratulations!!!**

Parth Saarthi Chhikara  
(Class IX)
