

## MELANGE 2021

*Millions saw the apple fall, but Newton asked why.*

Learning Science becomes much more interesting if it is learnt by doing. Based on this concept Aadharshilla Vidyapeeth organised an interschool festival Melange 2021 on October 26, 2021. Schools from all over Delhi participated in the event. Our Students Parth Saarthi Chhikara of class IX and Anagh Sriram of class X participated in the event 'SCIENTIFIESTA' and secured FIRST Position.

Our students presented the Concept of generating electricity with the help of a working model.

**Heartiest Congratulations!!!**

PARTH SAARTHI CHHIKARA

ANAGH SRIRAM
