

Report : HT PACE Inter School Art Competition

When Art Talks

Maan Kaur Vaseer student of class XII A ; **won** the senior category of **HT Pace Art competition 2022** held at Kiran Nadar museum of Art ,Saket on 11 May 2022. This competition drew 1500 students who participated enthusiastically . Our school participated in all three categories Senior (X-XII), Middle (VII-IX) & Junior (IV-VI).

The topic chosen by Maan was ‘The Colours of India’. She created a watercolor with three –four colours to give a clean and soothing look to the painting. Maan worked intuitively creating a gradient for the easel board to let colours flow naturally, as she painted. The flow was important to the theme as the colours of India merge, blend and are like splashes of paint.

The focal point of the painting is the woman who is throwing a Rangoli design in the air in pink, yellow and blue .The woman in a dancing stance is celebrating the variety of India in a unique expression of joy
