

## INTER SCHOOL EVENT- IGNITED MINDS 2022

**Indraprastha International School, Dwarka** hosted an interschool event 'IGNITED MINDS' from 24<sup>th</sup> August- 03<sup>rd</sup> September 2022. It was an amalgamation of online and offline events. '**POETIC MEDLEY**' was an online event wherein participants were required to recite a self-composed poem sharing two distinct moods or emotions.

Our student MANYATA CHAUDHARY of Class IVE bagged **Second Position** and brought laurels to the school. She depicted two moods of women suppression in earlier times and women empowerment in all the fields in recent times through her poem. Her performance was remarkable with excellent expressions and fluency. The parameters of judgement were enunciation, expressions, fluency and presentation.
