"To develop our students into responsible, harmonious and integrated individuals through ever evolving curricular and co-curricular activities."

From Principal's Desk

It gives me great pleasure as the principal of The Air Force School, in extending to all our students, faculty and staff, and our greater school community a warm welcome. To my mind an educational institute is not just about bricks, mortar and concrete, but about building character, enriching minds and about varied experiences that lasts a lifetime.

TAFS is a school rich in a tradition of excellence. Throughout its fifty plus years of service to the community, TAFS has consistently met and exceeded the educational needs of a diverse student populace.

As a principal, I can assure you that our school will continue to avail all the resources needed to further the cause for even greater student achievement. Offering our students the latest in curriculum enhancements in a safe and state of the art learning environment will continue to serve as our primary focus throughout their school years.

Quest—The Interschool Event

The Quest 2018 – A two day Festival of Arts, Science, Mathematics and IT was held at our school on 10th and 11th May 2018. The Chief Guest was our Executive Director Group Captain R. Bhatnagar. Addressing the gathering Group Capt. Bhatnagar remarked that making one's presence felt was more important than any prize that could be won. 28 schools of Delhi and NCR participated in a variety of events, as they vied for the overall championship trophy, which was finally acquired by Tagore International School, Vasant Vihar.

Annual Prize Distribution

Annual Prize Distribution ceremony was held on 5th May 2018 in the Aravali Hall. A total of 73 students were awarded merit prizes.

Air Cmde Rajeev Sharma, PD Education was the guest of honour and gave away the prizes.

Principal Mrs Amita Gupta gave the welcome address. She congratulated the prize winners and emphasized the need to develop right attitude and habits to achieve success.

Labour's Day : Abhaar

The I-Care Club of our school celebrated the Support Staff day on 1st May 2018 with a programme held in the Aravali Hall. The programme was attended by the Executive Director Group Captain R. Bhatnagar, Principal, Vice-Principal, Admin Officer, Middle School Coordinator, teachers, Support staff and the students.

The students presented a short nukkad natak titled "Abhaar" depicting the significance of hardwork and role played by support staff. The school choir also presented a song titled "Yunhi Chala Chal Rahi..." to show the dedication put in by the support staff. The Vice-Principal proposed the Vote of Thanks and the programme concluded with the National Anthem.

THINKING FINGERS ...

My Travel Diary

Traveling allows you to travel the world,
Places like Kerala for spices and Hyderabad for pearls.
I record these moments in my travel diary,
Some are exciting whereas a few very scary.

It has a record of my tour to Mumbai,
Where I saw Taj Hotel,
Also a Cruise ship sailing in the Arabian Sea,
Oh! That scene was so beautiful!
The sight of the Gateway of India,
Embraced me with delight,
Because it was looking gorgeous,
When decorated with lights!!

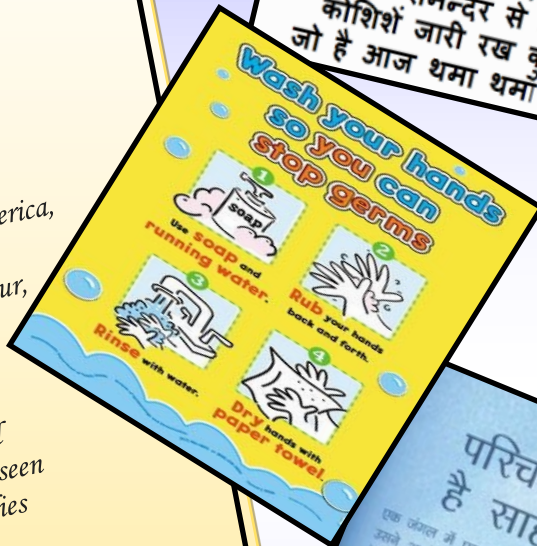

I also traveled to United States of America,
It is my favourite tour place,
This was my first international tour,
And the moments spent there,
Can never get efface!
When I saw the ground
There was snow all around
Not even a single grass to be seen
In clicking photos and selfies
Everyone was keen
I forgot to tell about the horror house
In which there was a fake ghost with his scary mouse

So friends, did you like my travel diary,
I told you in the beginning that it is exciting whereas also scary
You too make a travel diary and be clever,
By this you could keep your memories alive forever!!

कोशिश कर

कोशिश कर, हल निकलेगा।
आज नहीं तो, कल निकलेगा।
अर्जुन के तीर सा सध,
मरुस्थल से भी जल निकलेगा।।
मेहनत कर, पौधो को पानी दे,
बंजर जमीन से भी फल निकलेगा।
ताकत जुटा, हिम्मत को आग दे,
फौलाद का भी बल निकलेगा।
जिन्दा रख, दिल में उम्मीदों को,
गरल के समन्दर से भी गगाजल निकलेगा।
कोशिशें जारी रख कुछ कर गुजरने की,
जो है आज थमा थमा सा, चल निकलेगा।।

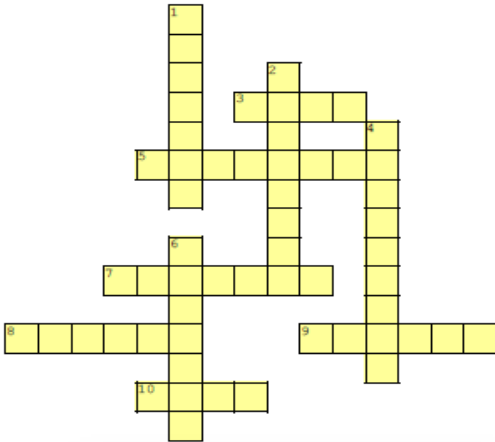

परिचय से मिलता है साहस

एक जंगल में एक लोमड़ी रहती थी। एक दिन, उसने अपने जीवन में पहली बार किली शेर को देखा। लंबा अगल, भयानक हारि, इराबनी दाढ़ वही पर बेहोश होकर गिर पड़ी। अगले दिन, शेर वही शेर उसे दिखाई दिया। वह अब भी डरी हुई थी, लेकिन उसने साहस जुटाया और अपने डर को धिमाने की कोशिश की। जल्द से जल्द वह वहाँ से भाग गई। तीसरे दिन, शिपरी पूरी तरह से बदल गई। "जब लंबा दाढ़ था। अब उसे शेर से किस्कुल डर नहीं है। शेर को देख-देखकर, वह उससे परिचित हो गई थी। हरीशेर क्या गया है कि परिचय होने पर साहस मिलता है।
