

## RENAISSANCE - *Expressing Innovations* (A Fiesta of Interschool Competitions)

On the bright morning of October 21, VPS welcomed nearly 1500 multi skilled & talented participants from prestigious schools of East Delhi & NCR to a two days' Mega Event RENAISSANCE-Expressing Innovation with a very sensitive issue One Earth One Chance. RENAISSANCE, the most dynamic annual feature of VPS witnessed the amalgamation of colour, creativity and confidence when the participants whole heartedly participated in 43 events like Court Room Debate, Tresaure Hunt, Cryptic Crossword, Digex, Tag-O-Packet, Maths Dance, Probbers, Newspaper Montage, Show & Tell, Babble & Giggles etc. **Mrs. P.L. Tara, DDE Distt. East, marked her presence as Chief Guest where as Dr. Anil Vashishtha, DDE (Zone-I) was the guest of honor.** They appreciated the out of the box ideas of the students in **Court Room Debate**, a stage set for expressing views on the theme, "Acts of God Vs Scientific facts". **The participants were encouraged and blessed by the worthy members of Management Sh. K.L. Bhatia, Sh. Sunil Khanna & the school Principal Ms. Ashima Jhamb.** The star attraction of the day was Maths Dance & Tech Craft. Hindi Nukkad Natak made the audience glued to their seats. Biz-Com, Tag-O-Packet & Role play on personification left the audience spell bound. The performance of tiny tots in Fancy Dress, Story Narration & Poem Recitation was really adorable.

Mathematics and art have a strong relationship. Our students of class IX, XI proved it by performing STICK DANCE. Six students with six long sticks made a beautiful hexagonal star while dancing. The beautiful thing was that none of the artists left the stick and structure was self interlocking.

Chess as a game of brain and a part of our Inter School Fest Renaissance proved to be very fruitful and successful as students from various renowned schools participated in the event. Everyone seemed engrossed in the game and tried his/her best to beat the opponent. Overall there was a healthy competition.

The very idea of creating colorful and beautiful puppets out of simple and recyclable materials with a purpose of learning new skills as well as to express the innovative ideas with creative juices from glue, glitter and googly eyes itself gives immense excitement and pleasure. Such type of enthusiasm was clearly seen in the participants of puppet making in Renaissance

Using colorful sand to depict any beautiful scene is a very innovative way to express ones creativity but at the same time using colorful sands to show terrific natural disasters sometimes seems unbelievable. But the participants of Sand Art in Renaissance made it possible and surprised the spectators when they saw their thoughts expressed on sheet of glass with sand. All the scenes seemed to be as self-expressing as the real ones.

In Tech Craft, as an event of Renaissance- A fiesta of inter school competitions. Each team designed a toy making best out of E- waste material. The participants showcased their creative skills and out of the box ideas by converting e- waste material into beautiful toys.

The playground of VPS was filled with zeal, excitement and frolicsome atmosphere on 25<sup>th</sup> and 26<sup>th</sup> November 2016 as the school celebrated its annual SPORTS MEET "BUSTLING VIVEKAIANS " based on the theme #SANDESH TO SOLDIERS. On **Day 1** the students entered in the spirit of occasion in a grand way with the oath being administered by the Management Members and the Principal. The school flag was unfurled by the Management Members. Students from class III-V competed in the recreational races like Warrior Dash, Super Spartans and Bay to Breakers whereas students from class VI-XII represented their houses in Sprint Race, Shot Put, Long Jump and a Kho-Kho match. **Day 2** began with a melodious patriotic song following the theme. The chief guests of the day were **Mr. Shrotiya SHO Anand vihar and Subedar Raman Singh of Rajputana Rifles**. The students displayed a wide array of colorful events. Students performed an energetic drill in three groups representing the three forces- Navy, Air force & Army by showing their self defense techniques and making pyramids on the tune of patriotic songs.

When The Sports Day began the air was filled with cheers and tons of encouragement of the participants. The day proved to be a platform to unleash the sporty spirit of the students from Bhagat Singh House. The participants made the house applaud with pride when they beat their opponents in various races and sports events.

All the teachers and students of Sardar Patel House did their best to maintain the motto of the house "IRON WILL TO EXCEL" and marked their presence by scoring in different sports on the Sports Day. The theme of the day "Sandesh to Soldiers" was well justified by depicting how our three forces fight to protect our country.

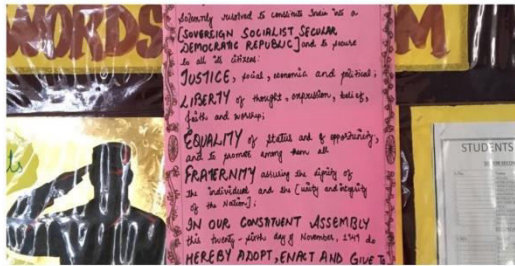

Sports plays an integral role in students' life by inculcating discipline as well as team spirit and enhances their personality. The Annual Sports Day celebration was exuberated with great zeal and zest. The participants from S.C. Bose House were determined to fire the field and track with their overflowing energy and stood tall among all houses by winning in many events.

To be winner and to receive appreciation is not so easy. To shine like a star and to see people applaud for you requires hard work, strength and determination. On the Annual Sports day Vivekanand House proved its strength and mettle by showing remarkable participation in almost all the events and winning in many of them.

# One Day Picnic at PARTAPGARH FARMS

Picnics and Trips have their own specific importance to provide special pleasure and serenity in tightly scheduled students' life in routine studies. Apart from pleasure these school picnics work like a bridge to fill the distance among people by enabling them to socialize with others. In November 2016 Vivekians got a chance to be merged with the scenic beauty of nature and real life of rural India, when they went on one day picnic at Pratapgarh Farms – a quite little hamlet set in the backdrop of lush green fields and whispering winds. The captivating beauty of Mud Huts, Serene Pond, Lively Cattle Barns & Poultry farms made the students mad with excitement. The students thoroughly enjoyed rides in Camel cart, Tractors & Bullock Carts. Horse riding and Camel riding made them shriek with thrill.

There was unique amalgam of ethnic sports like Gilli Danda, Pithoo, Lattoo, Kanche Goli, Archery and many more with Cricket, Soccer, Volleyball, Badminton and Trampoline Jumping.

Many Rural activities like Pottery, Mud Lep, Painting Frescoes and Matka Painting were quite enchanting.

The mouth watering delicacies rich with regional flavors, spices and aroma made the food stalls packed with students relishing delicious local food. Not only the students, even the teachers were full of enthusiasm and enjoyed every moment of the day with mesmerizing eyes. On the beats of Dhol, Been Dance and DJ music the students enthralled the campus with their vibrating twists and turns.
