NUKKAD NATAK BY HINDI DEPARTMENT

Nukkad Natak is an excellent medium for highlighting various social issues & to influences the people around.

As for students such an activity enhances ones speaking skills. The students of secondary wing show cased their performing skills in Nukkad Natak under the able organization and preparation by **Abhivyakti**, the school's Hindi Department. The sensitive issue of Beti Padhao and Beti Bachao was beautifully portrayed by

the participants. The marvellous and heart touching presentation by young actors compelled everyone in audience to think and act for the change in society. The spectators witnessed yet another extra ordinary performance of students reflecting their remarkable talent.

GEETA SHLOKA GAYAN BY SANSKRIT DEPARTMENT

In today's world, overrun by stress and disappointments caused by greed to get more and more, selfishness, the values and ethics have been lost somewhere. This unforgiving pace & complexity of modern life has greatly challenged our ability to live in peace and with contentment. To handle this chaotic lifestyle, Mahatma Gandhi had beautifully written:

"When doubts haunt me, when disappointments stare me in the face, and I see not one ray of hope on the horizon, I turn to Bhagavad-Gita and find a verse to comfort me; and I immediately begin to smile in the midst of overwhelming sorrow. Those who meditate on the Gita will derive fresh joy and new meanings from it every day."

Shrimad Bhagvad Gita, an incredible book shows us a way to live life and will be a guiding force till posterity. Recitation of Gita Shloka generates positive vibes in atmosphere & helps in spreading high values in society.

In the month of May, Udgaar, the Sanskrit Department of school conducted an activity "Gita Shlok Gayan" in which the students from class VI to X participated with jubilant fervour. Mridu Kaushik of Class IX recited the Shlok so melodiously that everyone was spell bond and lost in the deep rooted meaning of each word. The School Principal, in her address appreciated everyone & motivated them to follow these life guiding verses in their life.

CLUBS ON THE TOES

With the beginning of new session, the school has decided to introduce various **Clubs** to line up Co-Scholastic activities with the motive of providing opportunities to its members to develop their skills and interests in a specific area. Under this club system the students will interact with peers in a supervised setting while participating in various activities.

We all live in a diverse world having various aspects, each playing an important role. We play an integral role in the environment. Today our surroundings are facing numerous problems & adversities, most of them caused by us. The solution to these challenges lie in our attitude towards the nature. The best way to bring about a change in the society is through 'youth'. In view of this passion & zeal for keeping the environment clean and to develop qualities like leadership, self-reliance and teamwork among the students, Vivekanand Public School has launched the 'Eco-Club'.

BIDDING ADIEU.....

A farewell is an expression of good wishes at the time of parting. It makes us realise how time flies. It gives us great pleasure to say, we recognised, respected and appreciated the valuable skills and knowledge possessed by our incredible teacher **Mrs. Madhu Rastogi**. We know how painful it is to bid or goodbye to someone who is an inspiration. However, we all need to express our sincerest gratitude to her for all her uncommon contributions to realizing the educational programmes & development of school.

The 25 years she had spent imparting the right skills and knowledge onto students seems like it was yesterday she started teaching students of the school.

There is no doubt that she is an achiever, open minded, generous knowledgeable, modest, courageous, responsible & highly respected teacher.

On 30th June, a farewell party was organised where a token of love was shared in honour of her. The authorities' and teachers shared their experiences with a dash of tears & wished her for the best in her 2nd inning.
