

MINDSPARK WORKSHOP

CONDUCTED BY – MS HIMANSHI FROM EDUCATIONAL INITIATIVES

Mindspark Session with Mathematics teachers

The agenda of the session was to:

1. Understanding what went right last year
2. Mindspark focus and the key levers for 2019
3. Incorporating data into classroom
4. Alignment with the curriculum.

Further :

- To motivate students to use Mindspark regularly
- To encourage them to complete the assigned topics
- To keep regular check of students usage
- To check common wrong questions and discuss in class
- To clear misconceptions in class

Date : 24/06/2019
