

MOCK UNITED NATIONS TRAINING CUM CONFERENCE

Conducted by MRS.LAKSHI HARIHARAN, SPECTRA GENIE

Spectra Genie held a Model United Nations (MUN), a two-day conference cum training program for teachers.

Model United Nations, also known as Model UN or MUN, is an educational simulation and/or academic activity in which students can learn about diplomacy, international relations, and the United Nations. The 2 day workshop consisted of a theoretical session followed by a Mock UN Conference on the next day. The workshop also included a Stress management session which was greatly appreciated by all the attendees.

The workshop equipped teachers with the skills to impart MUN related training in their respective schools. A closing ceremony was held to acknowledge the noteworthy efforts put in by the teachers as member representatives of various countries during the Mock Conference.
