ASTROSHALA WORKSHOP

Conducted By Impetus Pvt Ltd

We, THE JMIANS, always take the curriculum with a vision to bring a change in the education, and empower more young minds. To achieve this mission, we, the teachers attended workshop by Bhaskar instructive Impetus Pvt Ltd which runs a Program called ASTROSHALA. Astroshala is a platform where students will be educated and develop the skills of twenty first century through Artificial intelligence and Astronomy.

Teachers had got an opportunity to enrich themselves and develop twenty first century skills to ignite young minds.

Attended by: Computer Sc., Science & Maths Teachers
