

## **WORKSHOP ON CAREER COUNSELLING**

**CONDUCTED BY: RITESH JAIN**

Career is the one thing which is to be chosen with utmost focus as it establishes what we become in the later stage of life. As we grow we expand our knowledge through various sites, considering both humans and electronic. In this fast paced world everyone is running towards the best option available around them but at times due to lack of information we end up making some wrong decisions.

JM International School, Dwarka conducted a career counselling workshop led by Mr. Ritesh Jain for grade XII as they are heading to a lot of puzzled career decisions.

However workshop cleared all the misconceptions of the young brigade who were struggling to figure out their way. The session commenced at 09:00 and lasted at 11:20 in the auditorium.

The staff who took the workshop were immensely experienced and professional. The interactions made sure that there was no low point in the session. It gave everyone a clear perspective for the long run. All the factors affecting the choice of the students were addressed and the myths and superstitions regarding the choices were removed to a large extent. They showed presentations and various forms which were and organized and broken down into particular streams. The workshop came to an end with all the doubts being clarified and massive satisfaction to the students.
