

## **STORY TELLING WORKSHOP (GRADE – V)**

### **CONDUCTED BY MS. VANDANA TONDON**

A good story is about something the audience decides is interesting or important. A great story often does both by using storytelling to make important news interesting.

Students of Grade V were guided to make story effective and interesting by the resource person. She told them all the essential and effective elements like face expressions, voice modulations, body postures, use of props and finally coming to conclusion or moral of the story to make story content more impactful. Students learnt a lot from the workshop and enjoyed the workshop. They all can connect themselves with the resource person's stories.
