

PERSONALITY DEVELOPMENT & COMMUNICATION SKILL WORKSHOP CONDUCTED BY MR. RITESH JAIN

The CCD workshop was conducted on 10th July 2019 at JM International School, Dwarka. The students of class X and XI attended the workshop. The session was led by Mr. Ritesh Jain, President Center for career development. He spoke about the expansive scope of career where students should learn the basic skills of communication. The session focused on increasing an individual's confidence and helping them to know what can build an impressive personality. There was a special focus on personality traits like communication, social warmth, leadership and correct attitude. The overall personality of a person affects almost every task they perform. The workshop was informative and extremely interactive where students learned the importance of effective communication skills.
