

## **Exploring Global Avenues -Workshop**

The Career Development Programme at JM International School, Dwarka is aligned with the philosophy of "Indian roots & Global wings" approach, believing the whole world as nothing but a global village. It aims at equipping students with the skills and competencies to make them global citizens while ensuring quality higher education.

To facilitate students explore various avenues post-school, JM International organized a seminar on 'Global avenues of higher studies for Indian students' for grades XI to XII.

The orientation was conducted by the Counseling Team from the Spain "Sable and CEU Spain", including Sheetal Joshi International Recruitment Director CEU Spain Salman Salim Vice President & Co Founder Sable Edtech.
