A CCD Workshop on 'Personality development' was organised by J M International School, Dwarka for the students of classes XII on April 26,2022. It was conducted by Mr.Jitin Chawla, the founder and director of 'Centre for Career Development',Delhi.

The session began by sparking imagination of students with a question put in front of them. The question was.. what they would do to make an earning if they had to support themselves and their families financially. Different interesting answers were given by different students. Later the whole audience was divided into eight groups. Each group was asked to develop a business idea and to explain its USP and other important aspects .

Students not only enjoyed this activity but also learnt basics of entrepreneurship such as recognising a problem, finding a solution to it and hence developing a business model.
