

CCD WORKSHOP (GRADE IX)

(PERSONALITY DEVELOPMENT LEVEL 1)

Name of the Workshop- Career Development

Resource Person- Mr. Jitin Chawla

Date- 19th April 2022

Duration- 1 hour

Venue- School Auditorium

Content-

The session started with welcome of the resource person Mr Jitin Chawla by Dr Amita Saxena (principal JM International School, Dwarka).

The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century context.

After an encouraging note to all the students on the efforts made by them in online learning, the resource person played a game in which two children were picked up and a conversation in which they were discussing about starting a new business. The two participating students played role of parents and the speaker as a student of grade IX. This was to highlight the lack of awareness among parents and skills needed to be select a career.

This was followed by a discussion on The Self, one's desires, dreams, passions and motivations. Students were told how important their dreams and desires are for developing the personality. It was stressed that they need to have a passion in life. Students were also given tips on how to increase their self-esteem. They were also encouraged to be optimistic and to have a positive approach about everything in life. Most importantly, it was emphasised that they should love themselves and never lose confidence.

Many of the different websites were also suggested like(w3schools.com, code.org). Students were provided innovative ideas so that they can know themselves better.

The workshop was very informative and all students participated enthusiastically.
