

CCD WORKSHOP (GRADE IX-X)
(PROFILE BUILDING)

Name of the Workshop- PROFILE BUILDING

Resource Person- Ms. Sakshi Mundra

Date- 8TH JULY 2022

Duration- 1 hour

Venue- School Auditorium

Profile Building workshop at JMIS

The 'Profile Building' workshop was conducted for the students of grades (IX & X) at J M International School, Dwarka on July 8, 2022. Ms. Sakshi Mundra, counselling psychologist was the resource person for the workshop. She informed the students about unheard and unknown courses and career prospects related to them. She emphasized the need of profile building right from class IX in order to make up their minds with regard to future careers. Various interesting suggestions were put forward which included visiting career websites, online courses, exploring movies with a purpose and engaging themselves in Summer Programmes.

The session was quite fruitful with respect to the learnings gained, enriching the students about CV creation and Profile Building. The school shows gratitude to Ms.Sakshi Mundra to show her flair and cognizance with the students.
