

## **CCD REPORT**

**NAME OF WORKSHOP: BUILDING UP COMPETITIONS IN SCIENCE**

**Classes: XI A & XII A**

**Venue: School Auditorium**

**Resource person: Mr Vikram Soni & Mr Rakesh**

A CCD Workshop on 10th August 2022 was organised for the science students of grades XI & XII in the School's Auditorium.

The workshop was headed by Mr. Vikram Soni & Mr. Rakesh who had been conducting such workshops & guiding students for many years. Mr. Rakesh, an alumni of IIT Roorkee guided the students about competitive exams and various other options available in the field of engineering.

Mr. Vikram Soni focused on the field of medical sciences, & related fields. The students enthusiastically participated in the workshop discussion and eagerly shared their responses.

The session was engaging, highly informative & All the students went back with much clarity about their field of career.
