

CCD WORKSHOP REPORT

Name of the Workshop: Building up for Competitions in Commerce and Humanities

Resource Person: Mr Vikram Soni

Date; 17:08:2022

Duration:1 hour

Venue: School Auditorium

Content: JM Internnatioanl School organized a CCD Workshop on the topic' Building Up for Competitions in Commerce and Humanities' for grades XI and XII. The main objective of the session was to make the students aware about the admission processes in various courses for commerce and humanities. The workshop began with discussion on courses to know about the mind set of students and their interests.

The resource person guided them about emerging career options in their field followed by the various tips to be kept in mind for universities entrance tests .He presented the difficulty level of interview in front of the students with the help of role play. He also explained in detail about the Section, No. of Questions and Time allowed etc of the various entrance tests like CUCET, IPMAT, SET, CLAT etc. The workshop was concluded with the doubts session of the students followed by his suggestion to the students to think about the courses they want to opt, explore them .make up their mind and start doing preparation. Overall, it was a very informative session for the students.
