

## CCD WORKSHOP REPORT

Name of the workshop: Personality Development level 3 and 4

Resource person: Ms. Sakshi Mundra

Date: 5<sup>th</sup> august 2022

Duration: 1 Hour

Venue: School Auditorium

On 5<sup>th</sup> august 2022, JM International School Organized a Career counselling and Development workshop on the topic personality development for the grades XI and XII. The workshop started with a brief discussion on Personality Development, with the students, proceeded by a small act from the students for better understanding of personality development followed its importance. The resource person discussed the meaning and importance of verbal and non- verbal communication as a part of personality development. SWOT analysis was a major part of the same.

The resource person presented some tips for bringing modification in the personality of students with the help of listening that being a good listener is important. She also discussed the five main tips for an interview which ultimately would help the students in the future. The workshop was concluded with a play by students in the form of interview in which they used tips and tricks discussed by the resource person followed by doubts clarification session. Overall the session was very interactive, Informative and would be very helpful for future prospects for students.
