

Self-Motivation for Success

Conducted By CCD(Centre for Career Development)

Ms.Himanshi and Ms.Srishti from **Centre for Career Development** conducted counselling session for classes 9th and 10th in school auditorium. Students were advised to utilize their time effectively as it will affect their coming future. During the session different activities like role play, situational response, discussions, videos and PowerPoint presentation. Students were actively engaged in discussion with counsellors during the session. Counsellors advised different strategies to manage time effective like making to-do lists, making short term goals, overcoming Social networking addiction, making study pattern, etc.
