

DIYA DECORATION WORKSHOP by NIE

Celebrations of Diwali commence with lighting of diyas and puja. In order to add a twist to the celebration this time, Diya Decoration WORKSHOP was organized by JMIS for the Students of class IV on 17/10/18 in the school auditorium. The students used their creative skills when they beautifully decorated earthen diyas using poster colours, sparkles, mirrors, ribbons, pencil shavings and other decorative material. The students put on their thinking caps and decorated them with utmost neatness under the able guidance of Ms. Alka Gaba the resource person on behalf of NIE. The workshop prepared the students completely for Diwali by setting them in such a mood. This activity also provided them with an opportunity to have different ways of celebrating an eco-friendly and safe Diwali along with a platform to show their creativity.
