

CLEAN YAMUNA PROJECT- 'SUCHI YAMUNA'

JM International School, students and teachers have taken part in Clean Yamuna Project on the occasion of 150th birth anniversary of Mahatma Gandhi. It is one of the largest river restoration projects in the country. Delhi Sahodaya Complex organised 'Clean Yamuna Project' at Soniya Vihar Ghat. The event was inaugurated by Sri. Manoj Tiwari (Member of Parliament) who graced the occasion as the Chief Guest. Our students got a chance to be part of this glorious and unforgettable event and pledged to keep their surroundings clean as well as guide others to do the same. A large number of volunteers from around 50 schools were gathered together to make the campaign successful. The children formed teams to clean garbage from the Ghat. They removed the plastic, thermocol, caps and non-biodegradable wastes from the banks. Donned in tricolour caps, the young voices sent the message of Clean Yamuna.

After all, a clean Yamuna would only add to their joy.

Date: 1st Oct 2019
