

JMIS_TOPPERS_IN_NEWS

Our Grade X topper, Ananya Manoj who secured 97.8% was in newspapers.

St Mary's school- Tenth standard results have always been a milestone in a student's life. It is now that the choice of subjects pave way towards their dream career. Anwesha Thakur is a diligent girl and scored 480/500. In spite of living with Lupus, her determination and performance is exemplary.

J. M. International- The school result was quite good and students were jubilant. The students made the school proud with high scores. Ananya Manoj topped the school and made everyone proud with an aggregate of 97.8%. Rujal Agarwal and Sneha Kar with 96.8% and Aarav Kumar with 96.2% follow her. Grade X students have made the school proud with the exem-

plary 100% result with 361 distinctions. With almost all 1st Divisions, 93% of students got the aggregate above 70% and 64% of learners secured 80% and above in all aggregate. About 30% of students are the achievers of 90% and above in all aggregate. Overall aggregate percentage of 10th Graders is 82.4%, which reflects the cognitive development of all the students.

Dwarka International School, Sector-12- The class X result was also nothing short of a landmark. Sambhav Aggarwal scored 98% and became the highest scorer in class X. Tamana and Shagun gave a tough competition and scored 98% and 97.2%, respectively. It wouldn't be an exaggeration to say that one's limitation exists in one's

imagination only. The students of DIS have aptly proven the same. Still these outstanding results reflect the commitment, determination, perseverance and diligence of each student and dedication of every teacher.

G. D. Goenka - Students of G. D. Goenka achieved new heights by their outstanding performances in Class 10th results declared by CBSE. Nehal Jindal of class X topped the school with 96.7%. The bedazzling result pays a glowing tribute to our holistic approach of imparting education. Says Neha Jindal, "I am overwhelmed to see the results. I was expecting good marks but never expected that I will score 96.7% marks."
