

REPORT ON INTERSCHOOL COMPETITION

Host School: Adarsh World School

Event's Name: Guardian of the planet

Student's Name: Amrisha Anand

Class: Grade – II Chinar

Prepared by: Ms. Anita Sharma Pandey

Achievement: Special Commendation prize

The student was provided with the script on how to save water. The script was well explained to the student so that he can understand it and add natural gestures and expressions too. The child was given optimum assistance regarding the proper pronunciation and intonation to make the presentation even more strong. Amrisha took it as a responsibility and kept himself motivated to deliver his best and finally he did prove the same by bagging Special Commendation in the Competition. Appreciable parental support was yet another important factor which created an appropriate background and ambience. In a nutshell, it was an amazing platform for the child to unfurl his capabilities and gain a lot of self -motivation and confidence.
