EVENT NAME- Redeeming Wildlife

STUDENT NAME – Viraj Rawat

ACHIEVEMENT- 3rd position

The student was provided with a self-composed poem. The poem was well explained to the student so that he could add natural gestures and expressions too. The child was given optimum assistance regarding the proper pronunciation and intonation to make the presentation even more strong. Viraj took it as a responsibility and kept himself motivated to deliver his best and finally he did prove the same by bagging the III position in the Competition. Appreciable Parental support was yet another important factor which created an appropriate background and

ambience. In a nutshell, it was an amazing platform for child to unfurl his capabilities and gain a lot of self -motivation and confidence.
