

Model United Nations Delhi International School Edge

Model United Nations Conference was organized in DIS Edge on 15th and 16th October, 2022. 10 students participated in the competition from JMIS in four committees which were:

UNGA:Reviewing laws relating to Small Arms and Light Weapons, with special emphasis on the advent of "Smart War".

UNHRC:Discussing rehabilitation and resettlement issues, post Russia- Ukraine War.

UNSC:Discussing the dispute of the South China Sea.

UNDP:Reviewing the UNFCCC guidelines with special emphasis on minimizing Global Carbon Emissions.

The competition was organized by Spectra Genie and their management was commendable on both the days. The Executive Board was also very supportive and knowledgeable.

The students came across an immense amount of knowledge and specifically, about countries around the world and got a closer look of foreign politics and democracy. Apart from researching about the allotted to them countries they came to know about other countries too which added up to their knowledge. Students got a wider aspect of foreign affairs and working of delegates.

The closing ceremony included an Orchestra program and dance performance by the students of the host school.

The results were motivating for students, Jasmine of X was awarded Best Delegate with a cash prize, Pingash of X was awarded High recommendation and Saransh of XI and Utkarsh of IX won award for special mention.
