HOLIDAY HOMEWORK
CLASS – 'III'
(Session : 2019-20)

Dear Parents,

It is summer vacation time again, a time to relax as well as fruitfully occupy the children in various scholastic and co-scholastic areas. Keeping this in mind, our teachers have painstakingly designed interesting Projects / Assignments for children to be completed during the summer vacation. This would encourage in-depth learning, strengthen concepts and prepare ground for improved academic output.

As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability. Your encouragement can actually make a huge difference to the ultimate learning outcome of these projects. We would be happy if parents encourage children to work on their own.

Please note the following :-

- ☺ Make your child read Hindi and English story books and children's Science magazines as much as possible so that each child can contribute to the school magazine in some way or the other.
- ☺ Encourage them to undertake creative writing, both in Hindi and English. You can tell them to write their experiences about the vacation and maintain a daily diary too. Even watching good English movies / plays can be an enjoyable learning experience.
- ☺ To make them aware of their surroundings, tell them to watch various informative T.V. Channels like Discovery, National Geographic, History and Animal Planet.
- ☺ To enhance their creative talent, motivate them to draw / paint, make PPT presentations on any family celebration or any activity / place / concept that interests them.
- ☺ Last but not the least, practise English and Hindi handwriting.
- ☺ Let these assignments / projects be fun filled so that learning is always a pleasurable activity for our young children.

We look forward to your co-operation.

HAPPY HOLIDAYS!

ENGLISH

Judge a book by its cover!

- Write 10 pages of handwriting in a separate copy
- Say farewell to the notebook cover that looks like everyone else's. Get innovative and design your own notebook cover. Cover your English notebook with yellow coloured sheet and plastic sheet as well, and write an inspirational quotation. Decorate it your way!
- Puppets allow teachers and children to role play and bring the characters to life. It makes learning simpler and more fun! So, explore and enjoy the art of puppet making.
 - ♦ Make a stick puppet of your favourite character from any one of the stories from ***Treasure Trove***
 - ♦ The size of the stick puppet should be 10 × 3 inches.
 - ♦ Make it look attractive by decorating it.

Prepare a short class presentation on the puppet you have designed.
