## SUMMER VACATION HOME ASSIGNMENT

Class – I

Dear Parents and Students,

Summer Vacation is at our doorsteps. Holidays are a well deserved opportunity to relax and unwind by indulging in activities that are pleasurable and at the same time educative. Holidays' Homework has been designed to fire your imagination, to make you explore, discover and reinvent many things.

This year we will be CELEBRATING INTERNATIONAL YEAR OF BASIC SCIENCES FOR SUSTAINABLE DEVELOPMENT So, it's time to value the place of Science education in our lives which plays a vital role in the overall development of the child.

As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability.

**Please note the following: -**

- ❖ **Read Hindi and English story books and children's Science magazine so that each child can contribute to the school magazine in some way or the other.**
- ❖ **Practice English and Hindi handwriting. Practice**
- ❖ **Revise all the work that is done till now in each and every subject. Holiday Homework will be assessed in the form of Subject Enrichment Activity. It carries 5 marks.**

**So open your arms and welcome the summer vacation and twist them towards growth, physical, mental as well as intellectual growth of our children.**

**Hope you have great time ahead.**

## IMPORTANT NOTE

As we know that our children are already familiar with print script. This summer let's introduce them to cursive form of handwriting. Learning cursive encourages faster speed of writing as well as motor skill development of the children thus, making them more intelligent. Here is the sample format that you can refer for practice. Practice this writing pattern in your school notebook or buy a cursive writing book and encourage the child to make a habit to write at least one page daily.
