26th January 1950, is a significant date that marked the beginning of a new journey for independent India. The country became a Republic, Democratic, Sovereign on this day, and the constitution came into existence after 2 years and 11 months of hard work. This is a momentous occasion when the country comes together to celebrate its glory and pride. Conceding the hard work and cooperation of those who spent 'their' today for our better tomorrow, Teresa House of MBS International School, Sector 11, Dwarka intoned their glories, celebrating India's 73rd Republic day.

The assembly started with the Flag Hoisting by School Principal Mr. Atul Wadhawan, followed by chanting of Gayatri Mantra & Morning Prayer. The Chief Guest for the day, Brigadier Sushil Bhasin, Leadership and Time Consciousness Coach, Keynote and TEDx Speaker, Trainer and Author, exhorted students to reflect

the attitude of a proud Indian in thoughts, deeds, conversation and actions. The thought of the day and brief news was followed by a speech highlighting the importance of constitution and unity which was truly splendid. A marvelous dance performance and patriotic song portrayed the beauty of India.

The videos presented a glimpse into the cultural diversity of the country. The assembly concluded with the wise words by the school Vice Principal, Ms. Vijaylakshmi. We thank the members of the management committee Chairman Mr. Gulshan Kumar Magon, Manager Ms. Gurleen Kaur, Educational Advisor Ms. Mrinalini Kaura and Principal Mr. Atul Wadhawan for their unflinching support to make this programme, a success. The event culminated with vote of thanks proposed by Teresa House Mistress.
