13.	National Anthem	SCHOOL CHOIR

Principal Sir: Mr Atul Wadhawan

***Christmas waves a magic wand over the world, and behold,
everything is softer and more beautiful.***

Teresa House of MBS International school organised a Christmas assembly on December 23, 2022 which was efficiently carried out. The assembly was graced with the presence of special chief guest Mr. Haroon Ahmed, Principal of English Private school of Kalba, Sharjah UAE. He is an eminent personality who inspires everyone around with his literary talents. Our school Principal Mr. Atul Wadhawan greeted him by presenting the bouquet and Christmas greeting card. The event commenced with the sacred prayers and national pledge delivered by the students. Firstly, the joyful carols were sung by class IV Teresa House students which filled in the Christmas spirit amongst the audience. Role play of Jesus Christ was portrayed beautifully where the story of his birth was depicted, followed by his teachings. Various dances aligned with the Christmas theme were performed. Melodious carols were chanted by the students of various classes in chorus which poured the spirit of positivity into the hearts of the audience. Speech delivered by the student highlighted the history and significance of the festival. Orchestra was organised wherein students showcased their musical skills and carried out a well-expressed melody. Lastly, the students were enlightened by the motivating words of our respected Chief Guest who praised the MBS students for their hard work, communication and coordination in making the assembly a successful event.

Wishing everyone Merry Christmas and a Happy New Year.
