

MBS INTERNATIONAL SCHOOL
SECTOR-11, DWARKA
SESSION- 2020-21

TECHIES CLUB
REPORT- LOGO DESIGNING

Objectives:

- To enable students, acquire the knowledge of the process of advertisement
- They will learn to highlight only the most important elements of its targeted topic.

“Creativity is experimenting, growing, taking risks, breaking rules, making mistakes and having fun.”

With home schooling now on the cards, **MBS International School** conducted **Techies Club Activity ‘Logo Designing’**, for the students of grade VI. Encouraging their imaginations to flourish, the students were required to put their creativity to use in making Logo in MS-word or MS-Power Point. The students were able to organize their ideas and combine pictures, captions and dialogues to creative scenes and situations. This activity enhanced their creativity and also stimulated their imagination.

Parameters/ Criteria to assess competition

- Originality
- Creativity

Result of the competition

S.No.	Student Name	Class	Position
1	Aksht Sinha	VI C	First
