Report

“It is true that Math is all about calculations, but who said that it can't be clubbed with creativity!!”

Aryabhata Club organized ‘Fun with Numbers’ activity for the students of Grade- I. It helped students to understand the formation of numbers and were able to write in proper manner. These little champs opened up the horizons of their mind to let their spirit accumulate the Mathematical wonders. They chose to draw different images with numbers. It helped to develop their imagination skills and basic drawing skills. All the students participated enthusiastically and enjoyed every moment, creating beautiful canvas. They learnt about the invaluable contributions of the great Indian Mathematician, Aryabhata. The activity was a success in intriguing the students about the exciting world of Mathematics.
