Report

**“Mathematics and Art are considered the
pinnacle of human creativity.”**

Aryabhata Club organized ‘**Magic Square**’ Activity on **December 21, 2022** for the students of Grade- IV. The objective of the activity was to promote their interest in mathematics, enhance their Problem-solving skills, conceptual knowledge and help them to overcome their fear of Mathematics. This activity allowed the students to understand that numbers can be added in any order. It increased their flexibility while thinking about numbers and recognizing patterns.

All the children participated with great zeal and zest.
