Story on Good Manners

Once there was a little boy named Harry. He was very rude with people around him. He didn't like to be polite. Everyone often lectured him to use golden words like Thankyou, Please and Sorry. However, nothing affected him.

Once he was playing in his garden. An old lady asked the way to the market. But he refused to tell the way and said in a rude way, "Go away. I am busy right now".

The old lady got angry and said "Now from today whenever you will be rude to anyone you will get an ugly mark on your face."

Harry didn't care what the lady said. Suddenly a ball entered his garden. Then a boy entered his garden to take the ball but he was rude to the boy. The boy got angry and punched him on his face.
