"Tell me and I forget. Teach me and I remember. Involve me and I learn."

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds.

Keeping up with the same the students of class III B conducted their class assembly on September 02, 2021 .The topic of the assembly was '**Teachers- Ladder of Society'**.

The assembly commenced with the Morning Prayer which is believed to provide peace and serenity to our minds and souls.

After prayer theme of the assembly was presented through power point and explained by the students simultaneously. It was explained that the role of a teacher is just like that of the proverbial 'ladder'. A ladder is used by everyone to climb up in life; but the ladder stays in its place and it feels proud to take others to the top by staying at its original place. It is the teacher only who can bring unlimited fortunes in the lives of the students. Apart from this, Journey of transformation of teachers from physical classroom to virtual classroom was expressed through a poem.
